Home Truths Mangorange Bungalow

- Sinna Dorai's Bungalows are plantation homes, not a hotel. It is a place of warmth, quiet, and old-world simplicity.
- There are no televisions, minibars, AC, spa or pools. The views, the silence, and the slow rhythm of the hills are what we offer instead.
- Each room is designed for one or two guests only, triple occupancy is not permitted.
- Solo female travellers will find the estate is safe, the staff are attentive, and the solitude here is both peaceful and secure.
- Being in the wilderness guests are requested not to venture out unaccompanied by our staff.
- Dinner service concludes at 10:00 PM. To ensure that our staff reach their homes safely at a reasonable time. Unfortunately food cannot be left unattended in the dining area or served in the rooms as it attracts wildlife and rodents.
